5 BEDROOMS | 4.5 BATHS | 2 GARAGE | 2 STORY

Caviness & Cates ENERGY PLUS Qualified Homes are designed and built to provide greater energy efficiency and comfort. This means lowered cost of ownership and energy bills. Our homes include additional energy-saving features that typically make them 20-30% more efficient than standard homes.

Caviness & Cates Building and Development Co. reserves the right to make changes in plans and specifications. Dimensions may not be exact. Features may vary according to different elevations and specifications at the discretion of the builder and may not be portrayed on marketing materials. Consult with a sales representative before writing an offer.
