This stunning new construction home by local custom builder Coastal Cypress Building Co. showcases the highly desirable Sanderling floor plan, thoughtfully designed with modern elegance and coastal charm. Offering 5 bedrooms, 5 full bathrooms, and a 3-car garage, this home delivers both space and sophistication.

The open-concept main living area flows seamlessly into the gourmet kitchen, featuring premium appliances, full-overlay cabinetry, a large center island, and a walk-in pantry-perfect for both entertaining and everyday living. The main floor includes a spacious office or guest suite, along with an impressive primary suite highlighted by a tray ceiling, spa-inspired bath with an oversized tiled walk-in shower, freestanding soaking tub, and an expansive, walk-in closet that connects directly to the laundry room.

Upstairs, you'll find a second primary suite complete with a sitting area and private covered porch, plus two additional bedrooms each with its own private bathroom and a separate stackable laundry closet for added convenience. The ground level offers abundant storage and a generous 3-car garage.

Quality craftsmanship and high-end finishes are evident throughout, including Andersen windows, a Trane 15 SEER HVAC, and a tankless water heater.
