HOME DESCRIPTION

The Asheville floor plan by JD Signature Homes is a well-designed 4 bedroom, 2.5 bath home in the heart of Hampstead. The exterior of the home features a 2 car garage with a spacious wrap around front porch. As you step into the home you will immediately notice the high ceilings and natural light that fills the home. A formal dining room opens into the foyer which then leads to the open great room complete with a gas fireplace, large gourmet kitchen and breakfast nook. The kitchen boasts a large custom island, soft close shaker style cabinets, granite countertops, and stainless steel appliances. Immediately off the kitchen you will find a butler's pantry with cabinets and granite countertops and a large walk-in pantry. Completing the downstairs is a private study and mud room at the entry from the garage. Upstairs the owner's suite has a large tiled shower, massive walk-in closet, dual sink vanity and a linen closet. Three additional bedrooms, full bathroom with soaking tub, and the laundry room complete the upstairs. Located in Hampstead, Ashewood is a quick trip to shopping, dining, medical services, fantastic schools and of course the beach! Come discover the custom touches available from JD Signature Homes!
