The Hampton Seaside is a stunning two-story residence that boasts an open-concept living space. This home features four bedrooms: a primary suite on the second floor along with two additional bedrooms, a loft space, and laundry room on the upper level. The first floor welcomes you with a spacious foyer that leads gracefully into the main living room, which seamlessly connects to the kitchen and dining area. Upon entering from the garage, you'll discover a cozy mudroom, a walk-in pantry, and a conveniently situated Tech Room adjacent to the main living space. Selections have been curated by the Robuck Homes designers, and many upgraded features such as a covered screened in porch, a guest bedroom w/ guest bathroom downstairs, and hard surface flooring all throughout the first floor. With its blend of style, functionality, and location, the Hampton Seaside is more than just a home—it's a lifestyle.
