HOME DESCRIPTION

COMING April 2026 — The Remington Stick by Robuck Homes, a builder creating communities of significance since 1926.

This thoughtfully designed home features a designer kitchen with a freestanding gas range, large quartz island, tile backsplash, and under-cabinet lighting. A private first-floor office with 8-foot French doors, 2.5 baths with a pocket door at the powder room, and hard-surface flooring throughout—including the stairs—offer both style and everyday functionality.

All bedrooms are located upstairs, while crown molding throughout, high-level tile in all bathrooms, and wood-ventilated closet shelving elevate the interior finishes.

Enjoy a fenced yard, off-street parking with a dedicated parking pad, and a walkable lifestyle just steps from the Soda Pop District and Brooklyn Arts District. A unique opportunity to own a brand-new home close to everything downtown Wilmington has to offer.
