HOME DESCRIPTION

Welcome to East Lake, where resort style living is part of everyday life. The Weymouth is a single level home with 4 bedrooms, 2 bathrooms, and more than 1,800 square feet of thoughtfully designed living space. The kitchen opens to both the dining area and great room and features a large island with bar style seating, quartz countertops, a tile backsplash, stainless steel appliances, and a deluxe pantry with a food prep sink. The great room opens to a covered, screened in back porch made for outdoor relaxation. The primary suite includes a generously sized bedroom and an ensuite bathroom with dual sinks, a large linen closet, a private water closet, a tiled shower, and a walk in closet. This home is built with energy efficiency in mind to help keep utility costs down, plus engineered footings and a compaction test to help protect the home as it settles, a third party quality control inspection, and an in house 1-2-10 warranty. East Lake is just minutes from shopping and everyday conveniences, and will host amenities including a community pool, dog park, playground, walking trails with exercise stations, and more. Ask about our builder incentives!
