HOME DESCRIPTION

Five bedrooms, three full baths, and over 2,400 square feet on a 15,000+ square-foot lot -- welcome to The Farm at Neills Creek in Lillington. The Poppy by Chesapeake Homes is built for families who need room to grow, with a flexible first-floor bedroom and full bath that doubles perfectly as a guest suite, home office, or in-law space. Step off the covered front porch into a long foyer that opens to the great room, dining area, and kitchen -- an open-concept layout designed for how real families actually live. Upstairs, three secondary bedrooms surround a full bath with double vanity, while the owner's suite commands attention with tray ceilings, separate vanities, a large walk-in closet, and a laundry room conveniently located just steps away. The oversized lot provides rare privacy and outdoor space compared to typical new construction. Eligible for FHA, VA, and USDA financing. Convenient access to US-401 and only 25 minutes from Fuquay-Varina. Open House this weekend -- come see the space for yourself.
