HOME DESCRIPTION

The Azalea floorplan offers over 3000 square feet of well thought out living.

This is 5 bedroom + loft, 4.5 bathroom home with several windows all throughout for excellent natural lighting.

There is an enormous kitchen island with storage on each side, ample cabinet space & all cabinets are soft-close.

A unique color combo of blue, white & gray sets a calm, relaxing tone throughout the home.

The first floor has a full bedroom with private bathroom. Upstairs you will find double doors leading into the owner's suite - which has a sitting area, his & hers closet, separate tub & shower with a beautiful backsplash.

There are 3 additional bedroom upstairs plus a loft! Such a great amount of space to turn into your place of serenity. Come take a look today!
