## HOME DESCRIPTION

The McKimmon floorplan offers over 2,500 square feet of flexible living space designed for today's needs. The first floor features a versatile flex room that can serve as a home office, dining area, or creative space, along with a convenient pocket office for organization or focused work. The kitchen includes extended cabinetry for additional storage and prep, and it flows seamlessly into the open dining and living areas. A fireplace with mantle serves as a focal point, creating a warm and inviting atmosphere.

Upstairs, a spacious loft provides another flexible-use area, ideal for media, hobbies, or relaxation. The expansive owner's suite includes a large walk-in closet and a well-appointed bath. Two additional bedrooms, a full bath, and the laundry room complete the second floor.

With multiple flex-use spaces, smart storage solutions, and thoughtful details like the fireplace and mantle, the McKimmon offers adaptability and comfort throughout.

Holston by McKee Homes is a new construction community ideally situated at the end of a residential street, offering double-sided sidewalks, a playground, and dog park. Conveniently located just minutes from downtown Fuquay-Varina and approximately 10-12 minutes to Holly Springs shopping, dining, and amenities.
