HOME DESCRIPTION

Welcome home to the perfect blend of country living, privacy, and room to grow. Situated on a spacious half-acre lot, this home is surrounded by tree lines in both the front and back, creating a peaceful, tucked-away setting where you can enjoy quiet mornings on the front porch or unwind on the back patio without neighbors in sight.

The oversized driveway offers endless possibilities—ideal for hosting gatherings, extra parking, or even a safe space for little ones to practice bike riding and outdoor play. Inside, the home is designed with flexibility in mind. A private office or flex room downstairs can easily adapt to your lifestyle—whether you need a home office, playroom, guest space, or hobby room.

Upstairs, a generous loft provides the perfect second living area and offers future potential to be converted into an additional bedroom if desired. With its thoughtful layout, expansive outdoor space, and serene setting, this home truly delivers the space, privacy, and versatility today's buyers are searching for.
