HOME DESCRIPTION

Construction Almost Finished! MOVE-IN BY MARCH 2026! (Photos last taken 1/5/26) 3-minutes to downtown Lillington, 30-minutes to many gates at Fort Bragg, 45-minutes to downtown Raleigh. Best of all worlds! Where else can you find 3,033 sqft of living space and 0.60 acres of land for under \$400k? Best of all worlds! If you like privacy within a community and plenty of room to grow than this is the one! This homesite sits between 2-tree lines so no back or front neighbors, and a low maintenance yard for all types of outside enjoyment. Stepping inside, on the first floor, a welcoming foyer and a flex room with beautiful french doors. Perfect for a home office, play room or guest room. Keep walking and see the formal dining room that is open to kitchen, eat-in area, and great room - perfect for everyday living and entertaining. The kitchen includes generous counter space, a center island, and a walk-in pantry. A convenient powder room and garage entry to complete the main level. Upstairs, the primary suite provides a private retreat with a walk-in closet and en-suite bath. Four additional bedrooms, plus a large loft that I think will be perfect for the gamers, office area or just a bonus living room. A full bath and upstairs laundry room adds everyday convenience. Designed for comfort, flexibility, and modern living - this home is a must-see.
