HOME DESCRIPTION

Presale Opportunity - Build Your Dream Ranch Home on This Homesite

This is a presale opportunity offering the chance to build this thoughtfully designed single-story ranch floorplan—or choose any available floorplan that fits this specific homesite, allowing you to personalize your home to match your lifestyle and needs.

The featured ranch layout offers open-concept living with a spacious family room and eat-in kitchen, complete with a large center island, ample storage, and seamless flow for everyday living and entertaining. A private primary suite with walk-in closet and en-suite bath is thoughtfully separated from secondary bedrooms, creating a comfortable and functional layout. Additional highlights include a pass-through laundry room, covered front porch, and a two-car garage.

Located on a desirable homesite that backs up to beautiful treelines and a pond, this opportunity provides flexibility in both home design and finishes, making it ideal for buyers who want to create a home that truly reflects their vision.

Pricing shown is based on the builder's starting price and is subject to change based on selected floorplan,
