HOME DESCRIPTION

Welcome to this beautifully designed home offering space, style, and functionality at every turn. A large private home office greets you at the front of the home--perfect for remote work or a quiet retreat. The inviting family room features an elegant coffered ceiling, creating a warm yet sophisticated gathering space that flows seamlessly into the heart of the home. Just beyond, a bright sunroom opens to a covered porch, ideal for morning coffee, evening relaxation, or entertaining guests year-round. With 5 spacious bedrooms, including a guest suite conveniently located on the main level, this home offers flexibility for multi-generational living or visiting guests. You'll find 4 full bathrooms plus a half bath on the main floor, providing comfort and convenience for everyone. Upstairs, a versatile bonus room offers endless possibilities--media room, playroom, fitness space, or additional living area. The large primary suite is a true retreat, highlighted by a beautiful tray ceiling and a spa-inspired en-suite bath featuring an impressive 8-foot-wide walk-in tile shower with dual shower heads for a luxurious start and end to your day. This thoughtfully designed home blends elegance, comfort, and modern living--ready to welcome you home.
