HOME DESCRIPTION

Located in Cambridge Reserve by award-winning Mungo Homes, the Russell plan offers a thoughtfully designed layout with 3 bedrooms, 2.5 baths, and the rare addition of a two-car detached garage--providing extra flexibility for storage, hobbies, or additional vehicles.

The modern eat-in kitchen features crown-molded cabinetry, a large island with bar seating, and a walk-in pantry, flowing seamlessly into the bright and spacious family room--perfect for everyday living and entertaining. Upstairs, the generous primary suite serves as a private retreat with a tray ceiling, walk-in closet, and spa-inspired bath complete with a tiled shower, dual vanities, linen storage, and a private water closet. Two additional bedrooms, both with walk-in closets, a full bath, a convenient laundry room, and a large loft ideal for casual living or a home office round out the second floor.

Ideally situated just 10 minutes from downtown Angier with easy access to surrounding areas, this home combines modern design, flexible spaces, and a hard-to-find detached garage--making it a standout opportunity.
