HOME DESCRIPTION

Nearly nine tenths of an acre and everything you need on one level. The Lawrence offers 3 bedrooms and 2 baths in a smart 1,500 square foot layout, set on a spacious corner homesite in Cambridge Reserve. The open kitchen is centered around a large island overlooking the great room and dining area, creating an easy flow for everyday living and entertaining. The primary suite is tucked privately toward the rear of the home and features a generous walk in closet with direct pass through access to the laundry room, plus a private bath with a separate water closet. Two secondary bedrooms and a full bath are positioned toward the front of the home, providing flexibility for guests, an office, or hobbies. An attached two car garage adds everyday convenience, while the large homesite gives you room outside that is increasingly hard to find. Located just minutes from downtown Angier with convenient access to Raleigh, I-40, and I-95. If you have been looking for single level living without giving up outdoor space, this one deserves a closer look.
