HOME DESCRIPTION

Tucked away on a private cul-de-sac homesite of over half an acre, this 4-bedroom Telfair B offers space, flexibility, and one of the limited opportunities remaining to add a highly sought-after detached 2-car garage. The open main level features a beautifully appointed kitchen with granite countertops, white upper cabinets, and a dark espresso accent island, along with stainless steel appliances, a large island workspace, and a walk-in pantryâ€”all flowing seamlessly into the living area. A flexible dining space and main-level flex room add everyday versatility. Upstairs, the primary suite includes a tray ceiling, dual vanities, 5-foot shower, private water closet, and a large walk-in closet. Three additional bedrooms, a loft, and another flex space provide plenty of room to spread out. Enjoy the privacy of cul-de-sac living, a functional layout, and a rare garage opportunity that is quickly becoming unavailableâ€”all just 10 minutes to downtown Angier with convenient access to Raleigh, I-40, and I-95.
