HOME DESCRIPTION

This Hampton Stick plan by Robuck Homes includes a finished basement, modern open-concept living, with elegant farmhouse styling. It's easy to imagine entertaining family and friends indoors and out with 12-foot sliding doors that open from the living room to the covered porch and grilling deck out back, providing quite a view of the more than $\frac{3}{4}$ -acre homesite. The grand foyer makes an impressive entrance with 9 ft. ceilings and craftsman-style wainscoting. Classic crown molding is carried from the foyer into the living room, kitchen, dining area and flex room. The gourmet kitchen features a 36" gas cooktop, range hood, built-in microwave and wall oven, soft-close cabinets, quartz countertops, a large walk-in pantry, and a huge island that overlooks the spacious family room. It's the perfect spot for family and guests to gather. Easily work from home in the adorable pocket office off the kitchen that has a window overlooking the back yard. The entryway from the garage features a built-in drop zone with cubbies to help manage daily clutter like coats, bags, and shoes. The basement in this home features a bedroom, full bathroom, bonus room, and lots of conditioned storage space. The primary suite is located on the upper level and includes a generous bedroom with a gorgeous, super-sized bathroom featuring a tile shower, separate soaking tub, and large walk-in closet. The upstairs also includes two additional bedrooms, another full bathroom, the laundry room with a laundry sink, and a loft. The 9 ft. ceilings throughout make every room feel even more spacious. This home features a 2-car front load garage with a side service door and utility sink.
