HOME DESCRIPTION

Four bedrooms, a dedicated office, a loft, and 0.60 acre all come together in an efficient 1,816 square foot design. The Guilford gives you flexible space without requiring an oversized home. On the main level, a private office with French doors creates a dedicated place to work or study away from the main living area. The kitchen, dining, and family room connect in an open layout with luxury vinyl flooring throughout the first floor, while a pet pad adds a thoughtful everyday feature. Upstairs, all four bedrooms are joined by a versatile loft and conveniently located laundry room. Outside, an extended concrete patio opens to the spacious backyard, giving you plenty of room to enjoy the larger Cambridge Reserve homesite. An attached two car garage completes a layout that puts usable space where you actually need it. Conveniently located just minutes from downtown Angier with access to Raleigh, I-40, and I-95.
