HOME DESCRIPTION

The popular Telfair plan offers a unique advantage, featuring both an attached and a detached two-car garage. This rare feature adds exceptional flexibility, whether you need extra storage, a dedicated workshop, or additional parking. It's a standout solution for homeowners seeking both functionality and convenience. Inside, the main floor impresses with an upgraded kitchen featuring a large island and a cozy eat-in nook, all flowing seamlessly into the inviting family room, perfect for gatherings. A versatile flex room provides the ideal space for a home office, gym, or creative studio. Upstairs, the expansive primary suite is a true retreat, complete with a spa-inspired en-suite bath and a generous walk-in closet. Three additional bedrooms, a spacious loft for casual living, and a centrally located laundry room complete the second floor. Blending smart design with everyday comfort, this home is built for modern living at its best. **Photos for Representation!. Ask me about our incentives.
