HOME DESCRIPTION

Move-in ready custom ranch on a private 1 acre site just off Old US Hwy 64 in Franklin County. No HOA, well and septic, and just 18 minutes to Highway 540. This thoughtfully designed one-and-a-half story home delivers three bedrooms and 2.5 baths on the main floor, with a generous bonus room and 1/2 bath upstairs and abundant walk-in storage throughout. Inside, you will find custom moldings, built-ins, quartz countertops, a large kitchen island, stunning soaking tub, recessed lighting, and hardwood and ceramic tile flooring. A gas fireplace and built-ins anchor the family room. Expansive poured concrete covered front and rear porches extend your living space outdoors and minimize upkeep. The attached two-car garage and board-and-batten fiber cement exterior complete the package. Buildmaster is known in the Franklin County market for superior fit and finish at a competitive value -- this home is a firsthand example. Schedule your private showing today.
