HOME DESCRIPTION

Enjoy a modern floorplan, luxury finishes, but not the custom home price! Homesite 5 in Stonewall is one of the absolute best as HOA-owned property encapsulates the rear of this tree-lined homesite. This stunning open-concept residence features a masonry-heavy, country chic elevation full of warmth and curb appeal. From the moment you step inside, you're greeted by a wide and inviting foyer that sets the tone for the thoughtfully designed layout. Tucked privately at the front of the first floor, the guest bedroom offers the perfect retreat for visitors or a quiet home office space. Continue into the heart of the home where the expansive great room, dining area, and gourmet kitchen seamlessly flow together for effortless entertaining and everyday living. The family room is anchored by a cozy fireplace framed by beautiful windows that fill the space with natural light. Sliding glass doors lead to both covered and uncovered outdoor living areas, complete with an exterior fireplace--ideal for enjoying the timeless view of your private oasis. Upstairs, you'll find a spacious loft accompanied by two generously sized secondary bedrooms with a hall bathroom and dual-vanity sinks. The luxurious owner's suite is truly a private retreat, featuring a spa-inspired bathroom designed for relaxation with a freestanding soaking tub, oversized walk-in shower, and elegant finishes throughout. This is a professionally designed home (mood board in photos) with an anticipated completion of December 22.
