HOME DESCRIPTION

Let the kitchen be the gathering place. Granite counters, stainless steel appliances, and an island anchor the main floor of this new Lola townhome, with the dining area and living room close enough to keep everyone connected. Beyond the living space, a patio offers a spot to enjoy a quiet break outdoors. Upstairs are three bedrooms, including a primary retreat with a walk-in closet, double vanity, and walk-in shower. The laundry room shares the bedroom level for added ease. With 1,826 square feet, 2.5 baths, no carpet, and an attached one-car garage, this McKee Homes design balances comfortable living with useful features. See what awaits at 207 Kerag Way in The Knoll at White Oak. [The Knoll at White Oak] [Lola]
