HOME DESCRIPTION

A second living area makes all the difference. At 209 Kerag Way, the upstairs loft gives you somewhere to spread out beyond the main living roomâ€”whether you envision a television lounge, exercise area, or workspace. This two-bedroom Max by McKee Homes features 1,826 square feet, 2.5 baths, and flooring free of carpet. The kitchen combines quartz counters with an island and an open connection to the dining space. Outdoor relaxation is close by on the patio. In the primary suite, a dual vanity, walk-in shower, and walk-in closet support a comfortable daily routine. Bedroom-level laundry and a one-car garage add convenience to this new townhome at The Knoll at White Oak in Garner. Picture the possibilities during your tour. [The Knoll at White Oak] [Max]
