HOME DESCRIPTION

2026 Chatham County Gold Medal Winning Parade Home Plan | Pre-Sale Opportunity by Award-Winning Cotton Custom Homes A striking modern prairie masterpiece to be built on 4.6 wooded acres in Rainforest Estates. The stone exterior, soaring ceilings, and exceptional architectural details create an unforgettable first impression. Designed for sophisticated living and effortless entertaining, this five-bedroom, six-full-bath residence features a luxurious main-level primary suite with separate his-and-her closets and a spectacular spa-inspired bath with an oversized shower and wet area and elegant soaking tub. The chef's kitchen is complemented by a dedicated scullery, while the main level also offers a private office. Outdoor living takes center stage with a fireside sitting porch and a separate dining porch featuring a full outdoor kitchen. Upstairs, a loft game room with bar and dedicated theater room provide exceptional spaces for gathering and entertaining. From the custom trim work and elevated finishes to the thoughtful architectural design, this exceptional opportunity brings together refined craftsmanship, modern prairie style, and hard to find acreage in a premier Apex location. Photos are representational.
